EUROPEAN MASTER IN TOURISM MANAGEMENT

'SUSTAINABILITY UNDERPINS FUTURE PROFITS.' – Sir Neville Simms

The Erasmus Mundus European Master in Tourism Management (EMTM) is a two-year world-class integrated programme aimed at qualifying graduates to deal with the huge challenges in contemporary tourism.

EMTM study starts in Kolding, Denmark (University of Southern Denmark, Faculty of Humanities). All students meet at the end of August each year for introductory programme and first EMTM study term. Then they move to Ljubljana, Slovenia (University of Ljubljana, School of Economics and Business) and then to Girona, Spain (University of Girona, Faculty of Tourism) for the last, third term together. Fourth term is reserved for master research, which can be carried out at any of the participating Universities.

All courses are taught in English.

WHO CAN APPLY?

The main selection criteria for applicants are:

- Bachelor degree in Tourism, Management, Economics, Geography or related fields in the Social Sciences and the Humanities;
- Grades point average;
- Proficiency in English;

- C.V.;
- Personal statement of motivation;
- Recommendations of two referees.

More information about fees and scholarships you can find on the web page www.emtmmaster.net.

WHY SHOULD I CHOOSE EMTM?

Joint Master Degree

Students are awarded joint master degree signed by the official representatives of all three universities.

Diversity

First-hand experience of tourism development and management in three different geographies, Mediterranean, Central and Northern Europe.

Multidisciplinary

Three diverse Faculties involved; Humanities, Economics and Tourism.

International Dimension

A truly two-year long international and cross cultural experience.

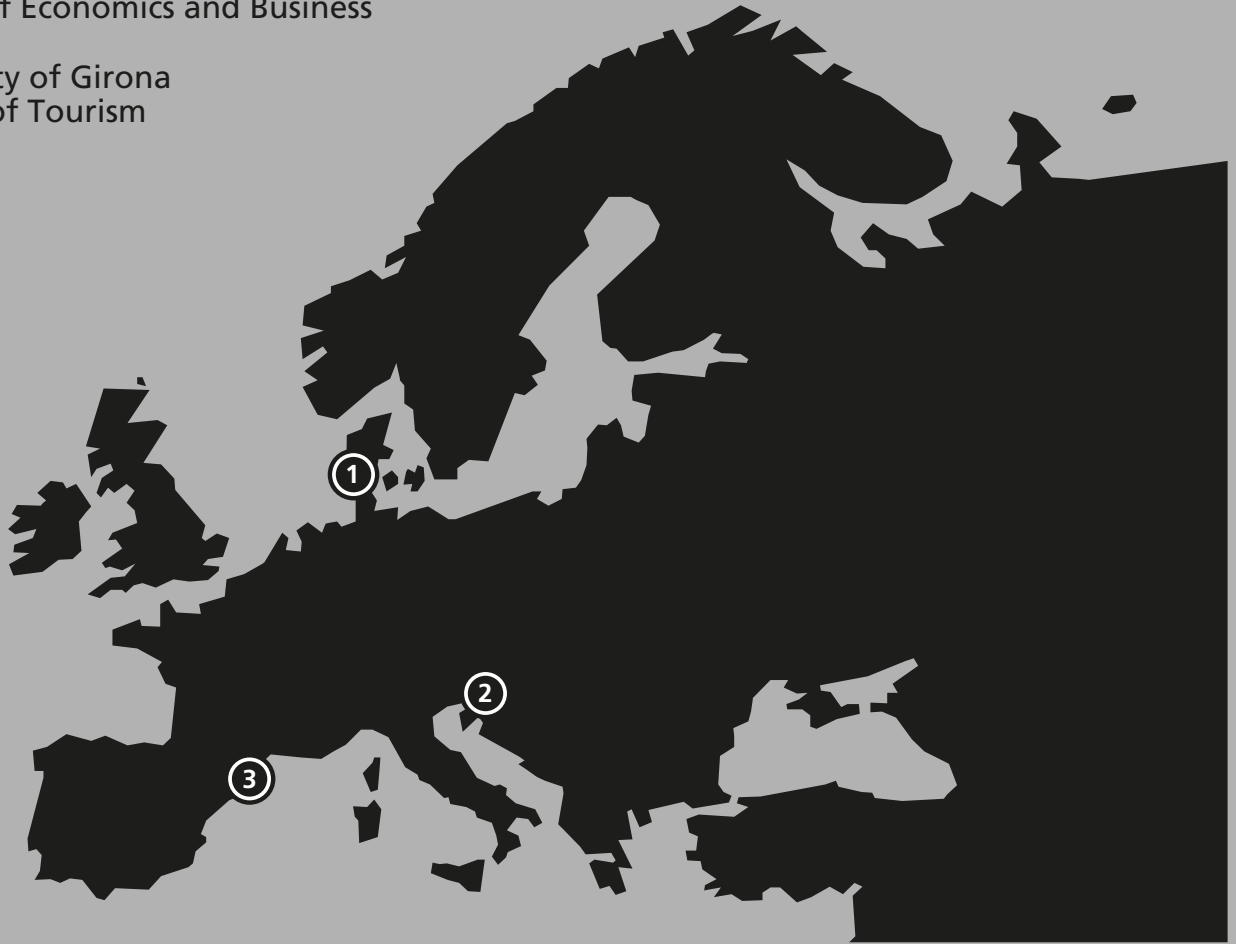

Learning Environment

Academic lectures, guest speakers, case studies, teamwork, educational trips, tuition in English, and an internship in a tourism company or a research group.

PhD Prospect

Direct access to a high quality PhD programme in tourism research.
