Ljubljana Doctoral Summer School

15 – 19 July 2019 | 22 - 26 July 2019

The programme consists of a variety of specialised courses, taught by renowned international professors, and provides a learning experience of considerable and lasting added value.

It offers a valuable opportunity for networking with participants from different countries and institutions, gathering new insights on one's research project and exchanging ideas and knowledge in an international setting.

Courses are intended for PhD students, post-docs, academics and professionals from different areas.

GENERAL INFORMATION

Each course is offered within a week of intense work. Participants can apply for two courses (one in each week) and benefit from a discount.

Programme fee includes tuition and study materials, non-refundable service fee, welcome package, access to the library and IT facilities on campus, organized lunch from Monday to Friday and several organized social activities/events.

PROGRAMME FEE

Early bird fee (by 15 April 2019):

- 700 EUR for one course
- 1300 EUR for two courses

Standard fee (from 16 April 2019):

- 850 EUR for one course
- 1450 EUR for two courses

APPLICATION AND PAYMENT DEADLINE

WEEK 1 courses: 21 June 2019 | WEEK 2 courses: 28 June 2019

Online application form is available on the programme website.
