

Postopek priznavanja izobrazbe, pridobljene v tujini

V kolikor je kandidat zaključil dodiplomski oz. podiplomski študij v tujini, priloži odločbo fakultete o nadaljevanju študija na doktorskem programu oz. potrdilo o nostrifikaciji tuje diplome. Postopek priznavanja izobrazbe pridobljene v tujini poteka skupaj s prijavo za vpis na doktorski program (elektronska prijava na spletnem portalu eVŠ: <http://portal.evš.gov.si/prijava/>).

Poleg dokumentov za prijavo na doktorski program, mora kandidat za postopek priznavanja izobrazbe pridobljene v tujini ob prijavi v eVŠ priložiti naslednje dokumente:

- elektronska kopija diplomske listine podiplomskega študija ali potrdila o dokončanju podiplomskega študija,
- elektronska kopija diplomske listine (dodiplomski študij),
- elektronska kopija potrdil o opravljenih izpitih na dodiplomskem in podiplomskem študiju,
- elektronska kopija uradnega slovenskega ali angleškega prevoda diplomskih listin in potrdil o opravljenih izpitih dodiplomskega in podiplomskega študija,
- podpisan kratek kronološki pregled celotnega izobraževanja od osnovne šole dalje,
- kopija potnega lista.

Kopije dokumentov mora na našo zahtevo potrditi institucija, ki jih je izdala.

Postopek priznavanja izobraževanja je običajno zaključen v **2 mesecih** po predložitvi popolne dokumentacije.
